PRESS RELEASE: South Tahoe Association of REALTORS® (STAR) 10th Annual Easter Basket Drive

STAR Donates 80 Easter Baskets to Local Organizations

It was another great Easter at the South Tahoe Association of REALTORS®. In the 10th year of the program, STAR utilized funds from its Community Service Committee resources; volunteers donated time to select materials & items to put together baskets as well as select and purchase pre-made baskets, and donated 80 Easter baskets to the Family Resource Center and Live Violence Free Center. These organizations provided the baskets to kids who otherwise would not have received anything this season. STAR thanks Kmart for their generous participation in helping our local children.
